Overview

EOL15843 - Amended

Cisco announces the end-of-sale and end-of-life dates for the Cisco Evolved Programmable Network Manager. The last day to order the affected product(s) is October 15, 2026. The last day to renew or add to an existing subscription is December 31, 2028. Customers with active service contracts and subscriptions (as applicable) will continue to receive support from the Cisco Technical Assistance Center (TAC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active and paid service and support contracts and subscriptions (as applicable), support will be available under the terms and conditions of customers' service contract and subscription.

End-of-life milestones

Table 1. End-of-life milestones and dates for the Cisco Evolved Programmable Network Manager

Milestone	Definition	Date
End-of-Life Announcement Date	The date the document that announces the end-of-sale and end-of-life of a product is distributed to the general public.	April 15, 2026
End-of-Sale Date:	The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date.	October 15, 2026
Last Ship Date Subscription	The last-possible ship date that can be requested of Cisco and/or its contract manufacturers. Actual ship date is dependent on lead time.	November 15, 2026
End of SW Maintenance Releases Date Subscription	The last date that Cisco Engineering may release any final software maintenance releases or bug fixes. After this date, Cisco Engineering will no longer develop, repair, maintain, or test the product software.	December 31, 2027
End of New Service Attachment Date Subscription	For equipment and software that is not covered by a service-and-support contract, this is the last date to order a new service-and-support contract or add the equipment and/or software to an existing service-and-support contract.	December 31, 2028
End of Service Contract Renewal Date Subscription	The last date to extend or renew a service contract for the product.	December 31, 2028
End of Change/Renewal Date: Subscription	The last date to Renew or Add to an existing subscription.	December 31, 2028
Last Date of Support: Subscription	The last date to receive applicable subscription entitlements, service and support for the product as entitled by active subscriptions and service contracts(as applicable) or by warranty terms and conditions. After this date, all subscription and support services for the product are unavailable, and the product becomes obsolete.	December 31, 2028

HW = Hardware OS SW = Operating System Software App. SW = Application Software

Product Migration Options

General End-of-Sale and End-of-Life Guidelines

- End-of-Sale Product Part Number: All Cisco Evolved Programmable Network Manager versions and part numbers are affected by this announcement including EPNM 8.1.x
- New OS Certification: Cisco Evolved Programmable Network Manager will continue to support OS validation based on the current semi-annual cadence till End of SW Maintenance Release (i.e. December 31, 2027)

Options

Cisco Evolved Programmable Network Manager customers have multiple options depending on the current use of the tool:

Option 1: Customers using Cisco Evolved Programmable Network Manager to manage IP/Packet Technology based devices please contact Cisco Sales Representative to learn about Cisco Crosswork Network Controller, an IP SDN controller that provides AI-enabled automation, intent-based network management, and closed-loop operations across multivendor environments.

Option 2: Customers using Cisco Evolved Programmable Network Manager to manage Optical Technology based devices please contact Cisco Sales Representative to learn about Cisco Optical Network Controller an optical domain SDN controller that provides centralized network management and control for optical environments.

Option 3: Customers using Cisco Evolved Programmable Network Manager to manage devices and technologies not supported by above controllers (mentioned below) will continue to use Cisco Evolved Programmable Network Manager until the product until Last Day of Support (December 31, 2028).

Devices

- Cisco Network Convergence System (NCS) 2000 Series (version 11.x)
- Cisco Network Convergence System 4000 Series (all versions)
- Cisco Network Convergence System 4200 Series (all versions)

Technologies

- Circuit Emulation (CEM)
- Time Division Multiplexing over IP (TDM2IP, TDMoIP)
- Multiprotocol Label Switching – Transport Profile (MPLS-TP)
