Overview

EOL15169 - Amended

Cisco announces the end-of-sale and end-of-life dates for the Cisco HyperFlex Hardware Components. The last day to order the affected product(s) is March 12, 2024. Customers with active service contracts will continue to receive support from the Cisco Technical Assistance Center (TAC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active and paid service and support contracts, support will be available under the terms and conditions of customers' service contract.

End-of-life milestones

Table 1. End-of-life milestones and dates for the Cisco HyperFlex Hardware Components

Milestone	Definition	Date
End-of-Life Announcement Date	The date the document that announces the end-of-sale and end-of-life of a product is distributed to the general public.	September 12, 2023
End-of-Sale Date Accessory	The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date.	March 12, 2024
Last Ship Date Accessory	The last-possible ship date that can be requested of Cisco and/or its contract manufacturers. Actual ship date is dependent on lead time.	June 10, 2024

Product part numbers

Table 2. Product part numbers affected by this announcement

End-of-Sale Product Part Number	Product Description	Migration Product Part Number	Migration Product Description	Additional Information
HX-ADGPU-240M6	C240M6 GPU Air Duct 2USFF/NVMe (for DW/FL only)	See the Product Migration Options section below for detailed information on replacing this product.	-	-
HX-ADGPU-240M6=	C240M6 GPU Air Duct 2USFF/NVMe (for DW/FL only)	See the Product Migration Options section below for detailed information on replacing this product.	-	-

Product migration options

Cisco and Nutanix have partnered to bring Nutanix hyperconverged Software on Cisco Hardware. You can migrate from the existing HyperFlex solution to Cisco Compute Hyperconverged with Nutanix solution with qualifying M6 hardware. For more details, please refer to Nutanix Migration Guide <>. For more information on this End-of-Life announcement, refer to Cisco HyperFlex End of Life Frequently Asked Questions (FAQ)<>.

The Cisco Takeback and Recycle program helps businesses properly dispose of surplus products that have reached their end of useful life. The program is open to all business users of Cisco equipment and its associated brands and subsidiaries. For more information, go to: https://www.cisco.com/c/en/us/about/takeback-and-reuse/product-recycling.html.
