Overview

EOL15818 - Amended

Cisco announces the end-of-sale and end-of-life dates for the Cisco Select UCS, UCSX and HCI Accessories. The last day to order the affected product(s) is March 19, 2026. Customers with active service contracts will continue to receive support from the Cisco Technical Assistance Center (TAC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active and paid service and support contracts, support will be available under the terms and conditions of customers' service contract.

End-of-life milestones

Table 1. End-of-life milestones and dates for the Cisco Select UCS, UCSX and HCI Accessories

Milestone	Definition	Date
End-of-Life Announcement Date	The date the document that announces the end-of-sale and end-of-life of a product is distributed to the general public.	December 18, 2025
End-of-Sale Date Accessory	The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date.	March 19, 2026
Last Ship Date Accessory	The last-possible ship date that can be requested of Cisco and/or its contract manufacturers. Actual ship date is dependent on lead time.	June 19, 2026

Product part numbers

Table 2. Product part numbers affected by this announcement

End-of-Sale Product Part Number	Product Description	Migration Product Part Number	Migration Product Description	Additional Information
CAI-GPU-H100-NVL	NVIDIA H100 NVL:400W, 94GB, 2-slot FHFL GPU	CAI-GPU-H200-NVL=	NVIDIA OEM H200-NVL GPU 600W, 141GB, 2-slot FHFL;	-

Product Migration Options

Cisco goes through a very rigorous process to ensure that customers receive support. However in rare occasions, due to component supplier limitations, there may be a need for customer to migrate to a part that is an upgrade of something comparable or better than what they previously bought. This may require customer to upgrade to a different Software and OS version or even the closest generation of an equivalent server that may be currently shipping at the time.

The Cisco Takeback and Recycle program helps businesses properly dispose of surplus products that have reached their end of useful life. The program is open to all business users of Cisco equipment and its associated brands and subsidiaries. For more information, go to: https://www.cisco.com/c/en/us/about/takeback-and-reuse/product-recycling.html.
