

Modify User Settings

- Change User Interface Theme, on page 1
- Modify Time Zone, on page 1

Change User Interface Theme

You can choose one of three user interface themes:

- Dark (default)
- Light
- High-contrast

Change the theme by following these steps:

Procedure

Step 1 Click your user initials in the top-right corner, then select **My Settings**.

Step 2 From the **Theme** drop-down list, select a theme, then click **Save**.

Modify Time Zone

You can modify the time zone for the system.

Procedure

Step 1 Click your user initials in the top-right corner, then select **My Settings**.

Step 2 From the **Timezone** drop-down list, select a time zone, then click **Save**.
