Preface

This cumulative guide provides a single, continuously updated version that includes all the latest features and release updates for Cisco Agile Metro. It simplifies your experience by letting you bookmark one link and access the complete guide, instead of navigating through multiple release-specific versions.

For a list of features introduced in a specific release, see the Release Notes.

The table lists the release numbers for which this document has been updated since its initial publication.

Table 1: Changes to this document

Date	Summary
February 2026	Republished for Release 2.0
June 2025	Republished for Release 1.1.
